

Gene Wiseman

The true believers of this generation are hearing a call to higher ground and without hesitation they are responding to present themselves to God. They are pressing their way into a place of complete saturation. They have become impregnated with that which cannot be measured because of its greatness. Their impregnation means to be full, full of God's power and strength and being full they will stand complete. Being impregnated or filled to the maximum, they will be occupied by that which is heavenly and that which is heavenly is of faith. These praying believers will not be occupied with spirits of doubt and fear but occupied with that which is faith and power. They will be marked by their quality and standard of victory living. The true believer's will be marked with characteristics that go outside of that which is normal to mankind for they shall carry the distinguishing attributes of their heavenly father.

The spirit of fear will be, and even now is, being unleashed upon the earth in a greater measure and much of this darkness is coming from the rulers of the darkness of this world. Men who have given themselves to be workers of spiritual wickedness and therefore they do rule in darkness. I tell you these opposing powers of darkness will be overwhelmed by the firm stand and faithful actions of the true believer. The true Spirit filled believer has been empowered, and to be empowered is to be enabled. The Holy Spirit enables the true believer to master perverted and dark circumstances. The true and faithful believer will be supplied with all that is necessary to fully carry out his or her mandate, which has been given by the Holy Spirit. The believer shall be totally furnished! Though darkness shall come upon the land it shall not overtake them. For the real believer has been delivered from the power of darkness and translated into the kingdom of light. These Holy Ghost filled believers shall stand as a superior force against all and I repeat against all darkness. Even as light is superior to darkness so shall these true believers be in their day.

The power of their illumination is their unshakeable faith in God's word! THEIR FAITH OPERATES IN THEM AS IF IT WAS A PHYSICAL ORGAN AND HAS BECOME THEIR VISION RECEPTOR!

They will begin to see deeper and deeper into that which is supernatural THEY WILL LOOK INTO AND TAKE HOLD OF AN ORDER OF EXISTANCE THAT IS FAR BEYOND THIS VISIBLE UNIVERS! (And some are already doing it now)

These faithful empowered ones are arriving to a high rank of excellence, one that they will operate and speak in. Their excellence will not be gained by the wisdom of man and therefore it can not be measured by world scholars. Their wisdom will exceed that of man for man can be ever learning and still not come to the knowledge of truth.

Continued.

The wisdom and boldness that is supplied by the Holy Spirit will seem foolish to the unbelieving scholarly ones, but as for the believer, this wisdom that is supplied by the Holy Spirit shall bring prosperity, health and long life.

The empowered believer remains confident that no weapon formed against him will be able to prosper. The knowledge of the believer will always rest in truth!

THE TRUE AND FAITHFUL BELIEVER THAT HAS BECOME IMPREGNATED BY THE HOLY SPIRIT WILL NOT SUFFER MISCARRIAGE!

THAT WHICH YOU HAVE BECOME IMPREGNATED WITH BY THE HOLY SPIRIT HAS BEEN INVESTED IN YOU FOR INTENDED PURPOSE AND SHALL NOT BE MISCARRIED! The purpose is that the will of your heavenly father may be achieved and carried out in the earth through you the born again believer

Even the Word, the seed that Mary conceived in her womb was by divine plan therefore, no harm could come to her and bring expulsion to that which she had conceived.

The Word that was conceived in Mary had to become flesh and in order for that to take place there had to be growth and development of the cell planted in her womb.

The Word that Mary conceived was being developed in her womb in order to live and function on the outside. The unborn child grows, develops and lives by what the maternal parent feeds it. Therefore be not forgetful to feed upon the Word. The inward development must take place for the word that is inside of you to come to manifested birth and live and function on the outside. If it were not for inward growth and development then that which comes to birth would have need for artificial life support and this is what many have leaned upon. The artificial life support is all man made and lacks in divine God quality. Being undeveloped it is unable to function on its own and requires human help and the intervention of man.

The faithful and true believers of this generation are now coming to fullness of time and **THAT WHICH IS BEING BIRTHED WILL HAVE NO NEED FOR ARTIFICIAL LIFE SUPPORT!** Just as this people has conceived of the Holy Spirit so shall be their delivery. I speak unto you praying warriors be not weary in well doing for you will bring to birth a latter day delivery and divine visitation! For this day of visitation and even habitation shall be great in the Land!
