

“DON'T BREATHE A WORD OF THIS TO ANYONE!”

“Don't breathe a word of this to anyone!” Have you ever thought on this expression, and just what it is saying?

Look at Acts 9:1 - “And Saul, yet **breathing** out threatenings and slaughter against the disciples of the Lord...” So often we confine the word breath or breathe to a more narrow meaning than we should. To breathe means more than just the inhaling and exhaling of oxygen. Breathe can also be used as a spoken sound or utterance. “By the word of the Lord were the heavens made; and all the host of them by the **breath** of his mouth.” (Psalms 3:6) This verse is a perfect example of a creative and audible breath of life. According to Genesis 2:7, God breathed into Adam's nostrils “the breath of life and man became a living soul.” Over in John 20:22 we find that Jesus breathed upon his disciples and said unto them “receive ye the Holy Ghost.”

Look at this word for a moment “apnea.” This word is used for the suspension of breathing or in the holding of ones breath. When someone is deliberately holding their breath they have to close off the vocal cords while keeping their mouth closed and at the same time block the nasal passage. Oh, wow! Would Satan ever love to knock the breath out of the believer, shut off their vocal cords and close the passage to where they would never give forth another audible breath or utterance! (Of course we know Satan has no power over the believer.)

Also, look at this: the vocal cords are open during inhalation and closed while the holding of breath, yet while singing and speaking they *vibrate*. The physical larynx generates the sound and the vibration of the vocal cords is what actually *produces* the sound that is rich in harmonics and distinction. Here is where the vocal sound of our speech is produced.

Though God is a spirit and a spirit may not have a physical larynx or vocal cords, it is not stopping God from speaking. By the breath of His mouth the true believers are lifting up their voices as trumpets in the land today. GOD IS NOT HOLDING HIS BREATH AND NEITHER IS HE BREATHLESS! The same can be said for His body of believers. Their mouths are not closed neither are their vocal cords shut down and they are giving passage to an audible breath! God wants His body of believers to be His mouth piece and passageway to an end-time audible breath.

There is a connection with the breath of God and the Spoken Word of God just as there is a connection with the WORD and the SPIRIT. In Genesis God breathed **into** man and in the gospels Jesus breathed **upon** man while today God wants to breathe **through** man. God is and will breath through his body of true believers!

~ THE REAL FAITH BASED BELIEVERS ARE GIVING PASSAGE FOR AN AUDIBLE BREATH THAT WILL ABSOLUTELY CHANGE THE COURSE OF OPERATION FOR MULTITUDES! ~

- Before Adam's fall every word he breathed sounded like God himself and that same sound (voice) is being restored to the Sons of God today!
- The believer's voice shall be the strongest voice in the land.
- We are not just in a day of the Word but this is the day of the Voice.

~ THE WORD WILL ONCE AGAIN CARRY THE SOUND OF THE CREATOR  
BECAUSE IT WILL BE SPOKEN BY THE SAME BREATH OR THE SAME SPIRIT  
THAT SPOKE THERE IN THE MORNING OF TIME! ~

All creation does not know the Word. The birds of the air, the beasts of the field - none of these know the Word, but creation does know the voice that spoke it into existence. The whole creation will once again hear the voice of its creator!

IT IS THE SPIRIT, THE BREATH THAT GIVES THE WORD THE SOUND THAT WILL CAUSE CREATION TO OBEY! Why? Because the creation will have to obey the sound of the creator! Breath and spirit are synonymous in many cases. The fig tree did not know the Word neither did the waves of the sea but they all knew the voice and had to obey. "By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth" That same breath wants to flow through every born again faith based believer today.

Instead of "not breathing a word of it" to anyone, let us continue declaring it to the nations of the world! My friend, let us be of those who are giving passage to an audible BREATH OF DELIVERANCE, and we shall SEE THE GLORY!

THE AUDIBLE BREATH OF GOD IS BEING HEARD AGAIN!

Allow God to continue to breathe through you today!
